

**Wisconsin Worker's Compensation Forum, Inc.**

**A non-stock, non-profit Wisconsin Corporation**

The Wisconsin Worker's Compensation Forum, Inc. is organized and operated exclusively for educational purposes to provide training and instruction in the field of worker's compensation.

The 16th annual Wisconsin Worker's Compensation Forum will be held on October 3<sup>rd</sup> and 4<sup>th</sup>, 2018. This educational seminar is structured to allow the exchange of ideas among professionals working in the worker's compensation industry. Participants include attorneys, insurance brokers, claims examiners, medical/vocational case managers, occupational health nurses, physicians, and employer representatives. We also hold an Industry Networking Social Hour after the seminar.

We are extremely fortunate to have the financial support of many companies and law firms that help to sponsor this event to keep the registration fees reasonable and allow us to provide the best seminar value in the state of Wisconsin!

**Dan Telford** (770) 596-7163 [dtelford@trilogycares.com](mailto:dtelford@trilogycares.com)

In workers' compensation today, medical services are usually paid based upon a state fee schedule and/or PPO network – void of any competition. WC Bundled Payments, on the other hand, is a free market solution which allows a provider to establish their own price, competing with other providers for the same service. Through WC Bundled Payments, providers are guaranteed full payment for the services performed. With payment uncertainties eliminated, most providers set their fees the same for both workers' compensation and group health – a true game changer for the workers' compensation market.
